Dear AAPA Member

We have designed a leaflet specifically for aromatherapists to hand to clients or to take to shows and exhibitions. A space has been left for you to put your own therapy practice details. The benefits of such a leaflet is that it has been professionally produced and ratifies your qualification (s) and membership of the AAPA. It also answers many of those questions clients want to know prior to treatments.

We are able to offer this leaflet to our members at the rate of 15pence each with a minimum order of 50. Postage and packing costs an extra £1.00 so the total cost for 50 leaflets is £8.50. If you wish to order larger quantities telephone the office above to see what further discount you can receive.

Kind regards

Joyce West
